ON PETITION

This is in response to the "Request to Join Inventor and Remove Application Status Under 37 CFR 1.47(a)" filed August 6, 2002.

The request is **GRANTED**.

On July 30, 2002, a decision was mailed granting the above-cited application status under 37 CFR 1.47(a) because it was believed that inventor Ladygo was not available to join the application. On August 6, 2002, a declaration under 37 CFR 1.63 executed by inventor Ladygo was filed.

Based on the aforementioned, decision of July 30, 2002, granting status under 37 CFR 1.47(a) for the above-cited application is **vacated**. Because all named inventors have executed a declaration under 37 CFR 1.63, there is no remedy that could be provided by a petition under 37 CFR 1.47(a). The renewed petition under 37 CFR 1.47(a) filed June 22, 2002, is, therefore, rendered **moot**.

This application will be forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries regarding this matter may be directed to the undersigned at (703) 305-0010.
